RECRUITMENT FOR COMPANIES

Our people at Step2lux compromise themselves in delivering the best candidates for your company's needs. We'll have a meeting with your HR and/or cabin service department to clearly understand what you're looking for. We will review all our stored profiles and select the best candidates that match with the skills and abilities your company wants. Conducting a first stage interview internally will insure the candidate fits your needs both personally and professionally. Depending on your operation we adapt in order to find a proper number of candidates for you to interview without the need of screening thousands of resumes. Contact us for our further details without any compromise.
